SENIOR HIGH SCHOOL	Batangas, Philippines
LA CONSOLACION COLLEGE TANAUAN	May 2022
Academic Year (2021 - 2022) Final Average – 88.18	
Academic Year (2020 - 2021) Final Average – 88.2815	

EXPERIENCE

IT Developer Intern - Arktech Philippines Inc.
February 2026 – May 2026

Company Calendar Scheduling System

- Developed and deployed an internal company calendar system integrated into company PMS.
- Implemented AJAX-based scheduling, conflict detection, attendee management, and filtering.
- Added validations for holidays, cancellations, conflicts, and multi-day events.
- Improved responsive UI compatibility for desktop and iPad devices.

Quotation Management System

- Developed a web-based quotation management system using PHP, MySQL, JavaScript
- Converted Excel-based costing and quotation workflows into a dynamic web application.
- Built RFQ imports, KPI dashboards, approval workflows, PDF generation, and Excel exports.
- Integrated notification systems, material management, and scalable backend computation logic

TECHNICAL SKILL

Networking: Cisco Packet Tracer, Network Simulation, Routing & Switching

Web Development: HTML, CSS, JavaScript, PHP, MySQL, AJAX

Cloud & IoT: AWS Cloud Foundations, IoT Concepts and Applications

General Tools: Basic Media Editing, Productivity Tools (MS Office, Google Workspace)

CERTIFICATIONS

Pearson IT Specialist Certification – NETWORKING

CISCO NETRIDERS PARTICIPANT 2025

AWS Academy Graduate - AWS Academy Cloud Foundations

CCNA: Introduction to Networks

CCNA: Switching, Routing, and Wireless Essentials

CCNA: Enterprise Networking, Security, and Automation
